New moon July 12th at 6:56 p. m.

Times of the tide are taken from the United States Coast and Geodetic Survey tables.

The tides at Kahului and Hilo occur about one hour earlier than at Honolulu.

Hawaiian standard time is 10 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees thirty minutes. The time whistle lows at 1:30 p. m., which is the same as Greenwich, 0 hours 0 minutes. Sun and moon are for local time for the whole group.

THANKFUL FOR FAVORS

Promotion Committee
Receives Small Fee.

Secretary E. M. Boyd of the Hawaii Promotion Committee nearly dropped dead yesterday when on opening a letter bearing an Australian date mark, he found an order for 2s. 6d. to pay "for your trouble." Such philanthropy among inquirers is rarely known in the Promotion Committee's business, for among the thousands and thousands of inquiries the inquirers generally expect everything—and sometimes more—for nothing.

This was the case of an Australian school teacher who says he is now receiving \$250 per annum and is anxious to come to Hawaii to teach the young idea here, even for \$1000 per year. After receiving as much information as the secretary could furnish him the young man conscientiously sent the sixty cents for the trouble to which he had put the Promotion Committee.

SUGAR TRUST MAN HERE AND GONE

W. H. Hanam and his wife left Honolulu on the Sonoma yesterday, after a brief tour of the islands. They spent a couple of weeks on Hawaii Island. Mr. Hanam is a prominent man in the sugar trust.

Millionaire's Fad is Skull.

C. W. Jenkins, a millionaire of Corpus Christi, Texas, has advertised for human skulls. A correspondent obtained from him the following: "I have now in my private museum at Corpus Christi 348 perfect human skulls. In my youth I made a study of anatomy. While at college in Lexington, Ky., I had three skulls in my room, and in that way I acquired a sort of liking for such strange bric-a-brac. I got my real start as a collector of skulls in 1887, when my father moved the town of Minton from one corner of his ranch to a spot twenty miles distant, on account of the extension of the International & Great Northern. It happened that there was a graveyard in the town of Minton, although the village was only five years old. It was too difficult an undertaking to move the graveyard. The cemetery fell into disuse a few years later, and it was found necessary to grade a portion of the ground. Nearly a hundred skeletons were unearthed. I took charge of the whole lot. After a futile effort to get the people who had originally lived on the spot to relieve me of my burden, I had all the skeletons reinterred, keeping the skull of each. I had just seventy-eight. These I had polished and placed in a cabinet made for the purpose at my winter home in Corpus Christi."

SHIPPING INTELLIGENCE.
